just me and my toy

FW24/25 Collection

Born Green.

Hey!

Yes, you, with your bright smile and
eyes that give the best hugs.

The world is as big as your imagination,
you know?

*Because every corner
of your home is just
waiting to be explored.*

Can it be now?

Of course it can.

*Because a plane is never just a plane, and
you are the pilot of this adventure.*

*And if you want, you can also be a sailor, over
and over again. You can be the rope, the sail,
the wind, the waves... or Neptune.*

*A piece of wood is never just a piece
of wood, and you are the architect of
your dreams.*

*It doesn't matter how well you hide the spinner
when the greatest reward is the look of amazement
on your face when you find it...*

*as if you've never
seen it before.*

Towering mountains in your make-believe garden? Why not?

*Today, you will discover the language
of the jungle and how the roar of the
tiger is music to your ears.*

After your private concert, have them over for dinner and make your favourite dish: mashed stars.

No matter how much you twirl or what choreography you rehearse, it will always be more fun to improvise.

*Do I want to know what your favourite
toy is? Of course I do!*

*But wait.
Don't tell me yet.*

We have time.

*You have all the time
in the world.*

Discover some fun facts about our new collection

Playtime is this collection's great inspiration.

In a simple and uncomplicated approach of an individual moment, of exploration and learning, of innocent and funny dialogues.

A personal space. Simple and without accessories, where it seems that time goes by slowly. And the focus is only on toys and imagination.

About our colour palette

Our colour palette for the Autumn-Winter 2024 season is organised into 3 groups - in a blend of colours in garment dye and patterns.

A . Indigo with beiges

B . Mauve with sandy, pink, and ash tones, with a pinch of petroleum blue

C . Petroleum blue with ash, green, and a little natural tone

About our raw materials

They are warm and soft! Mostly organic cotton or BCI cotton. Sometimes, in outerwear, they are mixed with a little polyester - but always from recycled yarn. Raw materials chosen for layering. The interior ones are thinner and more delicate, becoming thicker and more textured as we work on the outer layers.

Sales until: end of march

Deliveries: end of july beginning of august
